Main Line Forum will be addressed on Sunday afternoon, January 25, at 3.30, in the theatre at Bryn Mawr, by Lt. Col. Samuel T. Wetherill. The subject is, "Statesmanship or Politics." Lt. Col. Wetherill achieved an excellent record in France during the war. Come and hear him. Everybody cordially invited to be present.

Atwater Kent, of Ardmore, of \$10,775, \$5,000 to be used to maintain a bed in the University Hospital, in memory of Elizabeth Atwater Kent, and the income from the remaining \$5,775 to establish a prize in electrical engineering, for competition by junior and senior students.

The next American Legion Dance, Friday evening, January 30, in Elm Hall, will be known as the mid-winter dance.

Senator's Novelty Jazz Orchestra has been engaged for the mid-winter dance and those to be held on Washington's Birthday, St. Patrick's Day and April 30, and as long as the American Legion manages the dances we can all look forward to a long evening of enjoyment.

Overcrowding in Main Line communities and prospects of a big building program, especially in Merion and Cynwyd, and around the borders of Narberth, have created a problem in the township schools which calls for a new building program, according to members of the School Board, who discussed the matter informally at their meeting at Ardmore on Wednesday night. Although no definite course was decided upon, it was the general opinion of the Board, all of whom were present except Mr. Hamilton, that the first immediate need is the enlargement of the Cynwyd Public School. The present buildings for school purposes in Lower Merion Township and the normal building program now working out in the School Board is based on the ordinary conditions of past years, upon which a certain growth was estimated.

Special Meeting of Council Appoints Committees

REPORTS FROM VARIOUS COMMITTEES—BUDGET FOR 1920

ADOPTED—NEW TAX
MILLAGE RATE.

A special meeting of Council was held on Monday evening of last week, at which the following were present: Burgess Downes, President Hall, and Councilmen Wm. Henderson, Daniel Leitch, Carl B. Metzger, Wm. S. Maddox and Walton M. Wentz. Mr. A. P. Redifer, the newly elected member of Council, presented his credentials and was duly sworn in by the Burgess.

The following Committees were appointed to serve during the two years 1920-1921:

Highways and Sewers.

Walton M. Wentz, Chairman.
Daniel Leitch,
Carl B. Metzger.

Fire, Light and Water.

Daniel Leitch, Chairman.
Wm. Henderson,
A. P. Redifer.

Ordinance and Law.

Wm. Henderson, Chairman.
A. P. Redifer,
Walton M. Wentz.

Special Committee on New Station Project.

Wm. S. Maddox, Chairman.
Daniel Leitch,
Carl B. Metzger.

Council adopted the Rules and Regulations of the old Council.

Tax Collector Jones reported collections of \$3,463 for December, 1919. He also reported that a very small proportion of the 1919 taxes remain unpaid. This is a very satisfactory condition, and is no doubt very helpful to the Tax Collector. Treasurer Dold reported balances on hand aggregating almost \$4,000. The usual number of bills were approved by the Finance Committee and ordered paid. This is the usual procedure in order that the balances may be reduced.

Treasurer Dold was authorized to transfer the General Fund account of the Borough from the Central Trust & Savings Co. to the Merion Title & Trust Co.

Exonerations requested by the Tax Collector covering 1919 taxes that were uncollectable by reason of death, duplications, etc., were granted.

The Borough Treasury was further enriched to the extent of \$63 on account of building permits.

A total of twenty arrests were made in the Borough during 1919. These arrests were for minor offenses, and indicate that Narberth is sure a model town, or else, as some rumor has it, more arrests might have been made. Our Guardian of the Peace is surely a busy man.

An ordinance was introduced making it unlawful to make excavations or otherwise open up streets or highways within the Borough between the 1st day of December in any year and the 1st day of March in the following year.

The daylight saving law was reported out of the Committee on Ordinance and Law, and it is presumed it will now be adopted in the usual course.

The Budget for 1920 was adopted, which calls for expenditures by the Borough of \$33,255 during 1920, an increase of \$2,550 compared with 1919.

The bill covering the new Borough tax millage rate was also adopted, which increases the rate from 14 mills to 15 mills, an increase in the rate of about 7%. On the whole the increase in the rate is modest in these days of H. C. L. and we are supposed to be thankful it is not more. Perhaps it will be when the school rate is decided upon. However, with the present Council and their able President at the helm, the taxpayers can rest assured their burdens in that direction will not be increased unnecessarily.

A much needed improvement will shortly make its appearance in the shape of an appropriate "Right and Left" sign at the corner of Haverford and Essex avenues. If it is successful other signs will make their appearance where needed at dangerous crossings and busy traffic centres in the Borough.

Attention was also called to the continued parking of cars directly in front of the Post Office, which is not considered in good form, and the offenders will, no doubt, have the matter brought to their attention, as well as the parking of cars in the congested business district.

Hon. Ernest L. Tustin to Address Annual Meeting Narberth Y. M. C. A.

FORMER STATE SENATOR AND
PRESENT DIRECTOR OF PUBLIC WELFARE OF THE
PHILADELPHIA ADMINISTRATION.

The annual meeting of the Narberth Young Men's Christian Association will be held Friday evening, January 30th, at 8 P. M. at the Association Building. It is the aim of the Association to make this meeting one of interest and value to the community, and a very interesting and profitable program has been arranged.

The principal speaker at the meeting will be the Hon. Ernest L. Tustin, former State Senator and former Recorder of Deeds of the City of Philadelphia, and who at present is Director of Public Welfare in the Cabinet of Mayor Moore.

Mr. Tustin is a forceful and entertaining speaker, as his many friends in Narberth can attest, and doubtless will afford those at the meeting a very interesting time.

In addition it will be interesting to all Narberth folks, especially those who have aided in the recent campaign for a fund for improvements, to hear Mr. A. J. Loos, President of the Association, outline the plans which the Association hopes shortly to be able to proceed with.

Then there will be the Y. M. C. A. Quartette, heard before with great appreciation, and which will again offer a musical treat as a feature of the evening. Assisting in the program will also be one or two soloists, thus making the program one quite worth while.

Mr. Fletcher W. Stites will act as master of the evening, and after the address by Mr. Tustin will occur the election of officers and directors for the ensuing year.

It is hoped all members and friends of the Association will avail themselves of this opportunity to acquaint themselves with the workings and aims of the Association, and to evidence their continued interest in the welfare of the Association by their presence.

Our new residents are especially invited to be present and become acquainted.

NARBERTH WOMEN PLAY AT CARD PARTY FOR BENEFIT OF SAMARITAN HOSPITAL.

A number of Narberth women attended the bridge and five hundred on Wednesday afternoon at the home of Mrs. William D. Gherky, 1421 Diamond street, Philadelphia, for the benefit of the Samaritan Hospital. Among them were Mrs. William B. Goodall, Mrs. Roy E. Clark, Miss Ida Buckman, Mrs. Robert Dohard, Mrs. William Elni, Mrs. Harry Bradley, Mrs. William J. Kirkpatrick, Mrs. H. C. Fenn, Mrs. W. Roberts Cameron, Mrs. Carl D. Grace, and Mrs. E. R. Kanaga, of Wynnewood. Mrs. Elni, Mrs. Kirkpatrick and Mrs. Clark won prizes, and Mrs. Clark was also the lucky winner of a fine large box of candy which was chanced off for the benefit of the Hospital.

NARBERTH BOYS' CLUB TO GIVE DANCE.

There will be gay festivity at the fire house roof February 13th, and all Narberth's one-stepping public will be on hand. The Narberth Boys' Club, despite the "jinx," will stage their annual dance and will prove that it's a lucky night for the borough.

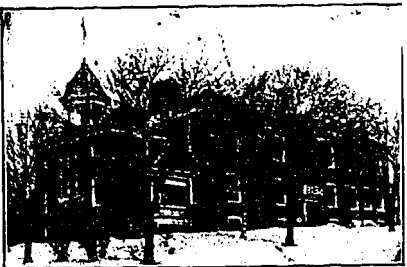

The orchestra that officiates when the Tennis Club turns out to "burn a shoe" will be on hand, and as Columbus said to the Eskimos, "On with the dance; let joy be unconfessionable."

School Notes

"Without halting, without rest,
Lifting better up to best."

The Senior Literary Society last Friday enjoyed as its special feature an address by Miss Boynton, of our English Department. She led us through the highlands of Scotland in "The Lady of the Lake." In England naturally most thoughts were centered in Shakespeare. Lantern slides aided us in visualizing, but Miss Boynton's exceptional ability on the platform in itself was enough to hold our interest. In our English classes she tells us not to use many adjectives, and especially to avoid superlatives. So as a good disciple, the writer will avoid them and simply say, everyone was delighted, but not surprised at the ease and splendid delivery and technique, and here's hoping Miss Boynton's next appearance is not far distant.

The Junior Literary Society certainly is a "stunner." Everybody seems to be in it. A wonderful debate was the one on the respective abilities of men and women. The hardest job was to secure judges that would be unbiased. Two boys and two girls were chosen, then the Principal, who of course would vote in favor of the intelligence of women, not because he is surrounded by twenty lady teachers, but because he says he has a mother of mothers. But then Miss Becksted had to be brought in as a sixth judge, and she having a father of fathers, again the balance was struck. Some day the great problem may be decided.

Monday morning's opening exercises

provided an innovation. A group of pupils from the Elementary Building took charge of the platform and audience. From Salute the Flag down through devotions, recitations, jokes, music and leading of the assembly chorus, the youngsters had charge. It was a delightful period, and is to be, we understand, the forerunner of similar entertainment for us and practical work for younger pupils.

Tardiness in High School may become popular since pupils who have no good excuse for lateness are privileged to take part in the next morning's program. Our Principal, with his sense of humor, says he enjoys the hearty response to his request for volunteers to recite and orate. But the number eligible to the honored place on the platform has decreased so noticeably in two days.

The Senior Class in Household Economics is now entering upon the phase of Household Arts. We wish mothers could visit this class and hear and see the practical work in "Home Making" versus "House Decorating"—i. e. the difference between a beautiful house and a happy home.

Don't forget to reserve the evening of February 6th for the purpose of attending the most unusual Minstrel Show to be given under the auspices of the Senior Class of the Narberth High School. Admission, 50 cents.

The sessions of the Montgomery County High School Teachers' Association meeting on Saturday, January 31st, will be open to the public. Addresses on practical and timely subjects, together with round table conferences, will make up the forenoon and afternoon programs. "Disciplining for Moral Character" will be the theme presented by Andrew Smith, Ph. D., Department of Education, West Chester Normal. This theme will be of particular value to parents and High School pupils. Time, Saturday, 31st of January, 2 P. M.

The revenue law requires the filing of these information returns in each case where the total of payments during 1919 to any person, partnership or fiduciary was \$1,000 or more. Forms 1099 and 1096, on which the returns must be made, are now available at the offices of Collectors of Internal Revenue.

Profiteer landlords will be held to the straight and narrow path in paying their income taxes this spring, for the tenants are doing the driving and holding the whip.

Revenge is sweet to the tenant who has had to dig deep into his earnings to pay a high rental in 1919. Gathering his family around him, he takes his scratchy family pen in hand, searches the ink bottle for that last drop of ink, and with a master stroke informs the Commissioner of Internal Revenue that he, Bill Brown, of the Hallroom Apartments, paid to John Smith, 13 Profiteer avenue, Anywhere, U. S. A., \$1,200 for his three-room flat during the year 1919.

LIFE AND LANAHAN

Those who provide for afterwards live a longer life than those who don't—and statistics prove it! Don't attempt to go on without enough Life Insurance—it's much too cheap and too good! When shall we talk is over?

LANAHAN, 203 Forest Avenue
P. O. Box 352, Phone, Narberth 3-44 R.

By gathering these reports from all the Bill Browns who are running themselves ragged to pay their rent, the Internal Revenue Bureau will have the information needed to see that the Profiteer Smiths pay proper tax or face prosecution.

The information returns now due covering payments of salaries, wages, rent, interest and other income serve as useful data for running down tax dodgers and for checking up millions of returns to see that proper tax is paid.

Large business houses have been faithfully making these information reports for several years and have co-operated wholeheartedly with the Government's checking system. The same obligation rests on smaller businesses and on professional men; also on persons and organizations who employ secretaries, chauffeurs, servants or persons in any capacity.

MERION ACCOMPLISHMENTS OF NATIONAL CIVIC INTEREST.

Since the last annual meeting in May of the Merion Civic Association eighty-three requests have been received by Mrs. P. E. Matthes, its secretary, for the year book of the organization and for information on civic affairs, from civic organizations, city governments and interested individuals in points in Canada and distant parts of the United States. They want to know how Merion does it.

MERION FOR PRACTICAL AID TO VOLUNTEER FIREMEN.

Citizens Praise Efficiency of Local Companies and Will Join as Honorary Members.

Because of the fine performance of volunteer firemen of Cynwyd, Narberth and Ardmore at the fire on December 27th at the home of Arthur B. Hawes, on Berkeley road, Merion, the Merion Civic Association is going to urge all of its members who are not honorary members of a neighboring fire company to join at least one of them.

At the meeting of the directors at the home of Edward Bok, the president, on last Wednesday night, a letter from F. C. Pequignot, a neighbor of Mr. Hawes, praising the firemen for their work, was read, and started a discussion as to how many Merion residents helped to support the fire companies.

There are numerous new local people to whom such an idea has never been presented, and the Union Fire Association, at Cynwyd; the Narberth Fire Company, and the Merion Fire Company, at Ardmore, are due to gain some additional members as a mark of the appreciation from the people of Merion.

To the Editor of Our Town:

As a new arrival in Narberth, I write you for information. Is it a fact that property owners in the section known as "Narbrook" pay no taxes and were granted this privilege in return for paying their own streets, installing a private sewer, supplying their own street lights, police protection and fire protection (by supporting the Volunteer Fire Department)? It is claimed that the Borough collects ashes in this section referred to.

TAXPAYER.

To the Editor of Our Town:

I do not know the feeling among householders in Narberth about encouraging firms doing business in Philadelphia to establish agencies here, but I would suppose it would be a distinct convenience and advantage to have these branches.

I have in mind the baker shop. From personal observation and not speaking in any way for Mr. Jules Junker, I would conclude that the experiment had been distinctly discouraging, and judging by the sales the householder is indifferent to the success of the undertaking.

If this shop is abandoned, as it seems likely to be, it will discourage others in other lines from making an experiment here.

If we want the baker shop, the best way to show it is to buy bread.

Women's Community Club Notes

Regardless of falling snow and icy walks, there were 88 ladies in attendance at the bridge and five hundred benefit given at the residence of Mrs. Robert Dothard, last Friday afternoon. Mrs. Dothard was the same hospitable hostess she has ever been upon previous occasions when her home has been open to the Club. The success of the day was due to the good spirit which accompanies every occasion of the Women's Community Club.

The committee in charge wish to take this means of extending their thanks and appreciation of the courtesy of Mr. Lee Shahan, who secured and returned a quantity of chairs from different points of the town.

All who attended were delighted with the variety and high grade of prizes which were in charge of Mrs. J. Mullholland, to say nothing of Mrs. Dothard's good punch and Mrs. Joyce's good coffee and the endless supply of home-made cake donated by the club members.

Several have asked when the next card party will be. That we cannot answer, but that there will be another one we are sure, and it will be in no way inferior to the last one. Watch the paper and attend the Club meetings, and you will not miss it.

Christmas Club

The habit of saving has to be acquired, and with so many attractive ways nowadays of spending money, it is often sidetracked and put off to some indefinite time.

OPPORTUNITY WAITS FOR NO MAN, and many a man has failed to attain success because he had no available cash to take advantage of his opportunity when it came.

We are fostering this Weekly Savings Plan to aid and cooperate with you in

SAVING FOR A PURPOSE, believing that if you will take advantage of our Savings Club and lay aside a certain amount out of your earnings each week for a specified time, you will become permanently interested in the results of Systematic Saving and the habit will become a fixed one.

The many strains of popular music which have recently been penetrating the portals of the High School building, and the small audiences which Sperry and Dickie have been trying their jokes upon, are evidences of definite action on the part of the Senior Class to make their coming Minstrel Show a real success. "Practice makes perfect."

BOB HARTLEY SHINES IN BOWLING RECORDS.

Bryn Mawr Firemen Head the Main Line League, with Autocar Next.

The Main Line Bowling League resumed the schedule last week, after the holiday lay-off, with the Bryn Mawr Fire Company quintet maintaining the leadership in the race, which is closing in on the finals of the first half of the league season. Autocar Club and the Men's Club of Wayne follow in the order named.

Narberth Y. M. C. A. sprang a surprise on the leaders when they captured the odd game in that match, the loss of the two games cutting down the percentage of the Bryn Mawr Firemen, while the Autocar Club made a sub-

stantial gain by winning all three from Paoli Men's Club.

In the latter match the veteran Bob Hartley established two new records for this season by toppling the maples for a high single game of 242 pins (Ted Wendell, of Wayne, holding that honor previously with 241), and a total for three games of 653, which broke the mark of 613 made by "Doc" Earl, of Paoli.

Ardmore Y. M. C. A. made it two out of three in the match with the Radnor Fire Company quintet.

The match of the Rosemont M. C. and Wayne M. C. was postponed due to the recent death of the Rosemont manager, the late David M. Ramsey, who also served in the official capacity of league treasurer.

The standing of the clubs and the summaries follow:

	Won.	Lost.	P. C.

Gillespie was employed by the borough in the ash collecting, has always been a steady worker. No reason can thus far be assigned for his leaving his wife and family of small children, who so much need his care and protection.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Registrar.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
